A diagram showing two horizontal bars, one red and one blue, connected by a vertical line to a gray rectangular box. The red bar is positioned above the blue bar, and they are connected by a vertical line that extends to the top of the gray box.

A diagram illustrating a merge operation. On the left, there are two horizontal lines: a red one on top and a blue one on the bottom. These lines converge towards a single vertical line, which then continues as a single grey horizontal line to the right.

The diagram illustrates a horizontal line divided into two segments. The left segment is colored blue, and the right segment is colored black. Below the blue segment, there is a red shaded rectangle. Below the black segment, there is a black shaded rectangle.
